Gentlemen,

I have not published any catalog for last 5 years, but my nursery has more than doubled since that time. The nursery has no name, only Louis Vetault Florist and Nurseryman.

I have almost 2,000 European vineries:

15,000 box bind
2,000 ornamental trees
2,000 shrubs in varieties
200 pear and apple trees
3,000 perennials

5,000 square feet of glass.

Yours Very Truly,

Louis Vetault
